Blake,

Right after our meeting, Ex. 6 PP / Ex. 7(C) gave me a call and told me BNSF had rail crews put new rails across the bridge about a week ago but there had been no torching or other work on the underside of the bridge. Ex. 6 PP / Ex. 7(C) also said that another Ex. 6 PP / Ex. 7(C) in BNSF was planning on having the scaffolding taken down soon.

Not sure if this is helpful but I figured I would keep you in the loop about any work being done on the bridge.

Best,
